Book I of the Kingdom Inheritors Series

Twelve Stone Kingdom University · TSKU-KIS-001

School of Biblical & Covenant Studies · 14 Classes

The foundational course of the Kingdom Inheritors Series. Who is God? What is Divine Intelligence versus the Counterfeit? This fourteen-class study examines the nature of the Almighty, the Living Word as God's Only Begotten Son, the archaeological evidence for the Bible, the personal testimony of His Majesty King David Joel, and the prophetic stars that herald the return of the Kingdom of David.

CURRICULUM

Fourteen Classes

CLASS I. THE WHO, WHAT, WHY, AND HOW QUESTIONS — WHO IS GOD?

The fundamental question of existence, and why we must begin here.

I-A. The Question Behind All Questions

Who is God? This is the question upon which all civilization, all governance, all law, and all human purpose rest. The Bible teaches: "The kingdom of heaven is at hand" (Matthew 10:7), "The kingdom of God is within you" (Luke 17:21), and "In Him we live, and move, and have our being" (Acts 17:28). The Kingdom is not far off — it is present, intimate, and alive.

I-B. God Is Spirit

The Almighty God is not a man. God is Spirit (John 4:24). He is the Supernatural Creator, the Almighty Spiritual Presence, the One who has no beginning and no end. HM King David Joel received the understanding of the 144 Names of God in a

dream: 72 names for the visible manifestations of the Almighty, and 72 for the invisible. The visible is always created from the invisible.

I-C. The Word as God's Expression

"In the beginning was the Word, and the Word was with God, and the Word was God" (John 1:1). The Word is God's expression of Himself — the Only Begotten of the Father. The Living Word is Christ, the anointed expression of God, dwelling within every soul that will receive Him.

I-D. Grace Defined

Grace is God's Word alive and working within us. It is the divine influence upon the heart and its reflection in the character. Grace is not a sentimental abstraction. It is the active power of the Living Word taking up residence in the temple of the human heart.

CLASS II. THE BIBLE PRESENTS TWO DISTINCTIVE GODS

Divine Intelligence versus the Counterfeit — the war that shapes all history.

II-A. The Supernatural and the Counterfeit

The Scriptures present two operative intelligences: the Supernatural Creator whose only expression is His Living Word, and the Counterfeit Intelligence — man's self-intellect disconnected from God, identified in Scripture as "the god of this world" (2 Corinthians 4:4).

II-B. The Two Trees in Eden

The Tree of Life represents Divine Intelligence; the Tree of Knowledge of Good and Evil represents the Counterfeit — the intellect that says "I will be like the Most High." The serpent (deceiver, schemer) promised "Ye shall be as gods" (Genesis 3:5) — the origin of every hierarchy that places one man above another by force.

II-C. The Non-Hierarchical God

The Supernatural Creator is non-hierarchical. "Let this mind be in you, which was also in Christ, who, being in the form of God, thought it not robbery to be equal with God" (Philippians 2:5-6). Christ in you is equality with God — not superiority over men.

CLASS III. WHAT SCHOLARS AND ARCHAEOLOGISTS HAVE DISCOVERED ABOUT THE BIBLE

The evidence for the historicity of Scripture — Hittites, Dead Sea Scrolls, and the Exodus.

III-A. History Matters

If the Bible is merely myth, then the covenant is merely metaphor. But if the Bible records real events, then the covenant is binding and the Kingdom is real. The discovery of the Hittite Empire and the Dead Sea Scrolls confirmed the remarkable accuracy of the Hebrew scribal tradition.

III-B. The Exodus: A Levite Migration

Recent scholarship suggests the Exodus involved primarily the tribe of Levi. The Levites alone bear Egyptian names (Moses, Aaron, Phinehas). The Tabernacle resembles the battle tent of Ramses II. These are the fingerprints of history.

III-C. The Jews Invented History Writing

The court history of King David in Second Samuel preceded Herodotus by some four hundred years. The Jewish people invented the discipline of written history.

CLASS IV. THE IF, SINCE, AND THEN SPECULATIONS

Discerning true scholarship from hypothesis masquerading as fact.

IV-A. The Pattern of the Crank

Self-proclaimed ‘researchers’ set forth a hypothesis, declare it true, and conclude their outlandish claims must follow. This is circular reasoning dressed in scholarly garb.

IV-B. Case Studies

Ralph Ellis declared Jesus was the King of Edessa; Joseph Atwill argued the entire New Testament was fabricated by Rome. Serious scholars have demolished both theories. The student must read the text, examine the evidence, and draw conclusions from the whole record.

CLASS V. THE HOUSE AND KINGDOM OF DAVID AND SOLOMON

Archaeological evidence for the united monarchy and the Davidic throne.

V-A. The ‘House of David’ Inscription

In 1993, archaeologist Avraham Biran uncovered the first extra-biblical confirmation of the dynasty of David at Tel Dan — front-page news in the New York Times.

V-B. The Timna Revolution

Carbon-14 dating placed the Timna copper mines in the tenth century B.C.E. — the era of David and Solomon. The miners left royal purple textiles and Mediterranean trade goods, yet no permanent buildings. They were ‘archaeologically invisible.’

V-C. The Prophetic Explanation

God Himself prophesied through Isaiah that everything in Jerusalem would be carried off to Babylon. “Nothing will be left, says the Lord.” If God said nothing would remain, why are archaeologists surprised?

CLASS VI. WAS KING DAVID TRULY A POWERFUL KING?

The historical David — from shepherd boy to sovereign.

VI-A. The Biblical Record

David slew Goliath, united the twelve tribes, conquered Jerusalem, and received the everlasting covenant: “Thy throne shall be established for ever” (2 Samuel 7:16).

VI-B. The Kingdom of Covenant, Not Walls

The Kingdom of David was never primarily about walls and palaces. It was — and is — about covenant. The throne endures not because its stones are large but because its covenant is eternal.

CLASS VII. A CLOSER LOOK AT WHAT THE BIBLE REVEALS

Historical reliability, the rules of evidence, and the Bible as witness.

VII-A. Accuracy as a Jewish Discipline

Every Jewish boy was trained in rigorous accuracy. At bar mitzvah, the boy recited his genealogy with total precision. Since all biblical authors were Jewish and indoctrinated in this culture, it is within sound reason that they wrote with extraordinary accuracy.

VII-B. The Rules of Evidence Applied

The Bible was written by participants or eyewitnesses. The entirety of Scripture, composed over several thousand years, maintains a general continuity of prophecy and history that would hold up in any court of law.

CLASS VIII. WHAT MY PERSONAL EXPERIENCES DISCLOSE

The supernatural testimony of HM King David Joel — from age three to the present.

VIII-A. The Healing at Age Three

At age three, gravely ill with an unknown condition, the young David Joel was healed after a supernatural encounter: a Voice, singing in another language, radiating light that filled the room so powerfully that his mother could not enter. From that day, he rose from his bed and knew God walked with him.

VIII-B. A Life of Encounters

The Boron, California revival at age seventeen; prophetic words; unexplainable deliverances. These are presented not as doctrine but as testimony — the personal witness of a man who has walked with God since childhood.

CLASS IX. THE GREATER MIND AND UNDERSTANDING

Christ in you — the Living Word as the inner working of Divine Intelligence.

IX-A. The Subject and the Pronoun

In John chapter one, the Subject is the Word. Every pronoun refers to the Word, not to Jesus. Jesus appears at verse 14: “The Word was made flesh.” The Word is the eternal reality; Jesus is the man in whom the Word was made flesh.

IX-B. Position, Function, and Office

Father, Son, Spirit describe Position, Function, and Office — not hierarchy. Three dimensions of one God, non-hierarchical, co-equal, working as one.

IX-C. “We Have the Mind of Christ”

The student is invited not merely to study Divine Intelligence but to possess it. Christ in you is not a future hope. It is a present reality.

CLASS X. UNDERSTANDING MY OWN PURPOSE, DESTINY, AND MISSION

How the King came to understand his call — and what it teaches about every believer's call.

X-A. A Course Set from Youth

"I found that what I was looking for was coming toward me and was looking for me." The Living Word does not wait passively to be discovered — it goes looking for good ground.

X-B. The Iron Rod Encounter (2004)

A pivotal prophetic word confirmed the specific nature of the King's mission: the re-establishment of the House and Kingdom of David in the earth — a divine commission, received through supernatural encounter and confirmed by Scripture.

CLASS XI. SAMENESS IS BEING EQUAL

Constantine, the Nicene Creed, and Counterfeit Intelligence.

XI-A. Constantine's Seizure of the Church

Constantine saw Christianity as a tool for imperial unity. He convened the Council of Nicea in A.D. 325, took control, and imposed the Nicene Creed. Bishops who refused were threatened with exile.

XI-B. The Alteration of Scripture

In the compilation of the Vulgate Bible, words and phrases were added that changed original meaning. 'Christ' is the inner working of the Living Word — not a surname for Jesus.

XI-C. What the Kingdom Restores

Sameness is being equal. The Kingdom of David restores a non-hierarchical understanding: Christ in you is equal — the same Living God dwelling in every soul.

CLASS XII. A STAR WITH A SURPRISE ANNOUNCES THE BIRTH OF JESUS

The Star of Bethlehem — astronomy, prophecy, and the sign of the King.

XII-A. The Triple Conjunction of 7 B.C.

Jupiter and Saturn met three times in Pisces — a phenomenon occurring only once every 900 years. Jupiter was the 'planet of kings'; Saturn the 'protector of the Jewish people.' An unmistakable sign.

XII-B. Stars as Signs, Not Predictors

"The heavens declare the glory of God" (Psalm 19:1). The star was God's announcement, written in light across the sky, that the Word was about to become flesh.

CLASS XIII. ANOTHER STAR WITH A SURPRISE ANNOUNCES THE BIRTH OF A NEW KING DAVID

The prophetic fulfilment in the present age — Scripture, lineage, and the heavenly sign.

XIII-A. The Prophetic Promise

“I will overturn, overturn, overturn it: and it shall be no more, until he come whose right it is; and I will give it him” (Ezekiel 21:27). Three overturnings complete; the throne given.

XIII-B. The Davidic Lineage Through Scotland

The House of Wemyss traces its lineage through the kings of Judah and Israel, through Scotland, and to the New World. His Majesty King David Joel was born June 5, 1946, in Salem, Illinois — a town whose name means ‘peace.’

CLASS XIV. THE HOUSE OF WEMYSS IS ESTABLISHED IN SCOTLAND

Tracing the unbroken bloodline from King David of Judah to the present House.

XIV-A. The Genealogical Record

From Sir John Wemyss of Kincaldrum (c. 1290) through the Earls of Wemyss and Barons of Nova Scotia, to John Weems (1709, Fife, Scotland) who emigrated to the New World, to Kenneth N. Weems (1913, Illinois), to HM David Joel of the House of Weems, formerly Wemyss, historically of the Ancient House of David.

XIV-B. The Rights of Blood

Jura sanguinis nullo jure civili dirimi possunt — The right of blood and kindred cannot be destroyed by any civil law. No parliament, no court, and no act of any earthly government can annul what God established by covenant and what blood has carried forward across the centuries.

XIV-C. The Foundation Is Laid

With this class the first course is complete. Thirteen more courses lie ahead — culminating in Book XIII, Living in the Kingdom, where the student encounters the AiD Portal, the Oracle of David, and Angelic Intelligence as companions in a living, breathing society.

SOVEREIGN APPROVAL AND RATIFICATION

This curriculum is ordained and ratified by sovereign authority as the official instructional programme for Book I of the Kingdom Inheritors Series, and is commended to every citizen-scholar of the Kingdom of David.
